Scoop the Poop!

Please be respectful of your fellow residents and ensure your pets have identification, are leashed, and you properly remove pet waste. Pet feces left out can not only leave your neighbor with an unfortunate surprise under their shoe, but it carries bacteria into storm drains, ponds and streams, contaminating the water and contributing to algae bloom.

Carry a bag with you and utilize one of Lake Park's Pet Waste stations, of which two more are being added. Refer to the Animal Control Ordinance and Stormwater Control Ordinances on lakeparknc.gov for further information on this and other policies.
